Dedication

There will always be certain people who stand out and make an impact on others. These people are few and far between and deserve the right and privilege to be remembered by those with whom they have been associated. Surely Nancy Garrabrants is included in this group. This fiery motivator and all around friend has put new life into the Floriculture program and Stockbridge itself.

She has been instrumental in recruiting with Debbie Boyce, (alumnus and new recruiter), strengthening ties with our Alumni, and promoting Stockbridge among the University and prospective students. Nancy is well thought of and respected by all, from the alumni to the front office and to the students of this school.

She is a person with both knowledge and personality. A person whom all can go to for guidance and advice and come out with a true friend and a lasting bond. Nancy, we the Stockbridge Class of 1986 are proud and honored to have you among us and proudly dedicate this yearbook to you. We hope you will be here for many years to come, to give future students the benefit of your interest in the Stockbridge School. Once again we thank you for your friendship, teaching and your knowledge.

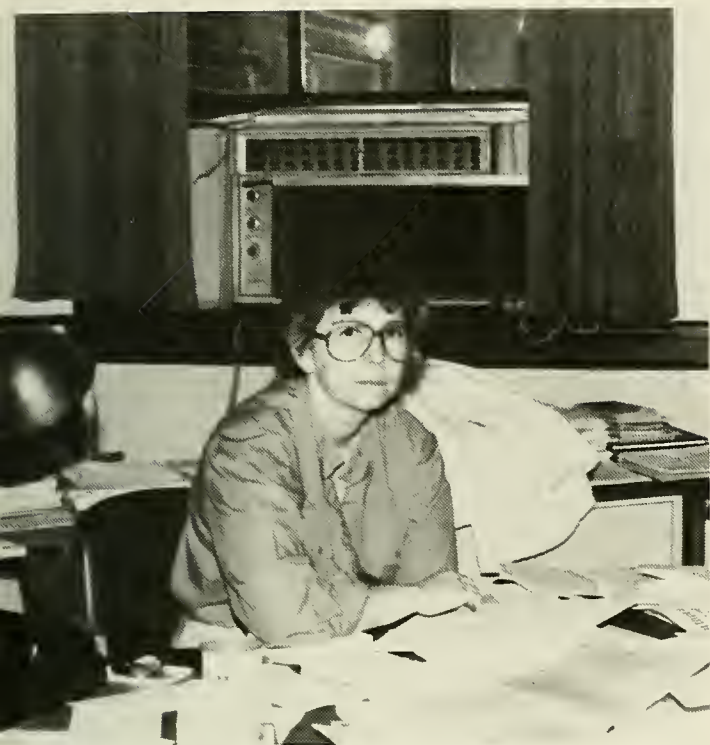

***John W. Denison
Director,
Stockbridge School Of
Agriculture And
Assistant
Dean, College Of Food
And Natural
Resources***

1984-1986!! These have been challenging, exciting, different and rewarding years for you, me and the school. The Class of '86 was the smallest class to enter Stockbridge since the middle 1950's. Because you were a small class, you created lots of concern and interest. The administrators of our college and the University have expressed much concern about our declining enrollment. Not much really happened though until the Stockbridge Alumni Directors along with an active promotional committee, (made up of many of you, the office staff and interested faculty), got together to promote Stockbridge and its programs.

Excellent promotional booths were set up and manned at the Eastern States Exposition and at the Worcester Centrum. The Stockbridge Alumni Association provided funds to hire a half-time recruiter, (a Stockbridge grad!), to work exclusively to promote and recruit for Stockbridge. Along with these exciting new promotional functions, many of you students went back to your high schools to tell our story. With everyone working together we should be able to offer more young people the benefits of a Stockbridge education.

This message in your yearbook allows me to thank all of you who have helped in this important endeavor and to wish each and everyone of you continued good health and happiness and success in your career! Oh yes, welcome to a great Alumni Association!

Karen Cerow

Elizabeth Wiernasz

Stockbridge Secretaries

Almost every school has great administrators that help to make it into a successful school. But who is it that helps to make the administrators look good? Their secretaries do, and great secretaries make for outstanding institutions.

Here at Stockbridge we are extremely fortunate to have the best of the best for secretaries, Karen Cerow and Elizabeth Wiernasz. Karen and Liz are the two remarkable people who keep the Stockbridge School constantly moving forward, with the greatest of efficiency.

As you know by now, they are not just your every day secretaries. Along with all the great help they offer to all of us, Karen and Liz add that special family atmosphere that makes Stockbridge the special school that it is.

Karen and Liz, we the Class of 1986, thank you for your time, guidance, friendship and endless patience you have given to us over the past two years. We will never be able to repay all that you have done for us. Once again, thank you!

Professor Hamilton

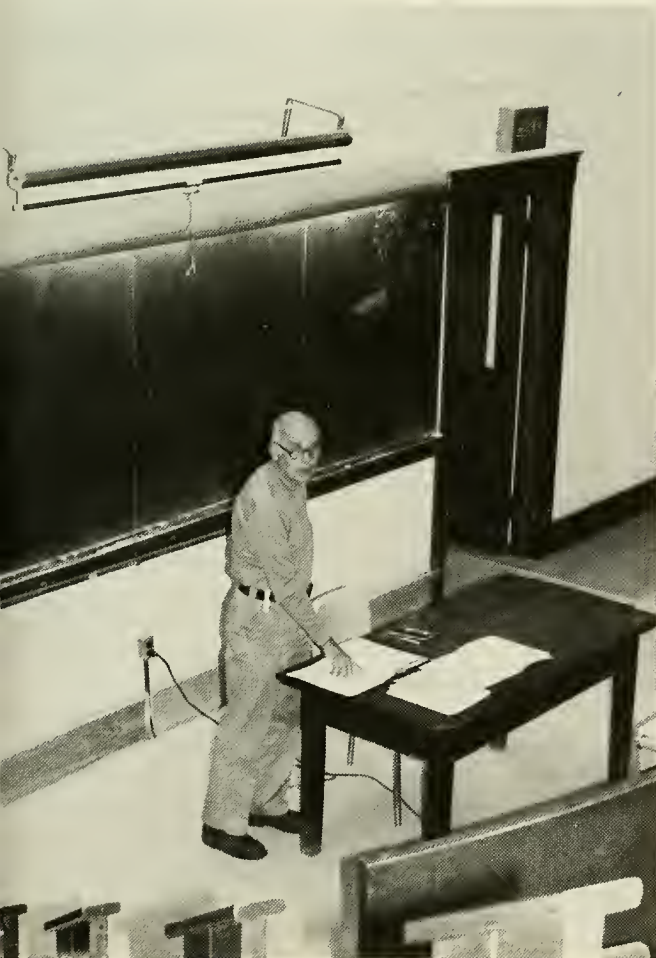

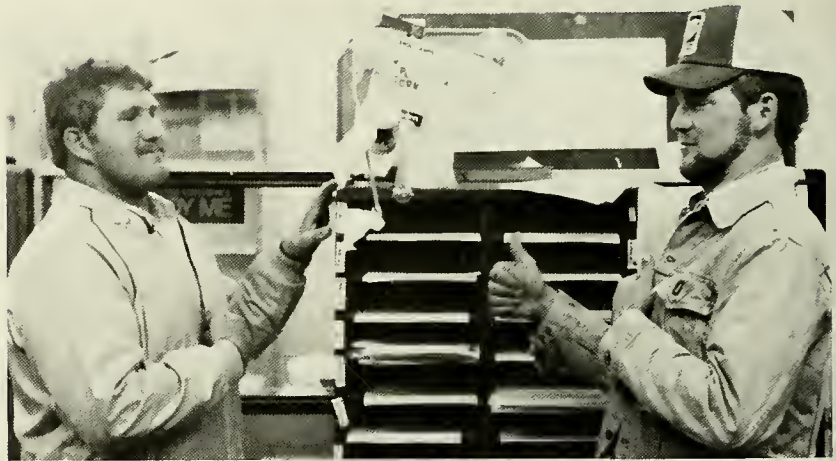

Easily recognized around campus by his students, with his beret and turtleneck shirt, is Professor Thomas S. Hamilton Jr. Professor Hamilton joined the Stockbridge faculty as an instructor in Landscape Architecture in 1953 with a B.F.A.

Future Stockbridge and University students will not have the pleasure of his famous 8:00 am slide lectures; for Professor Hamilton has elected to retire at the end of the Spring 1986 semester.

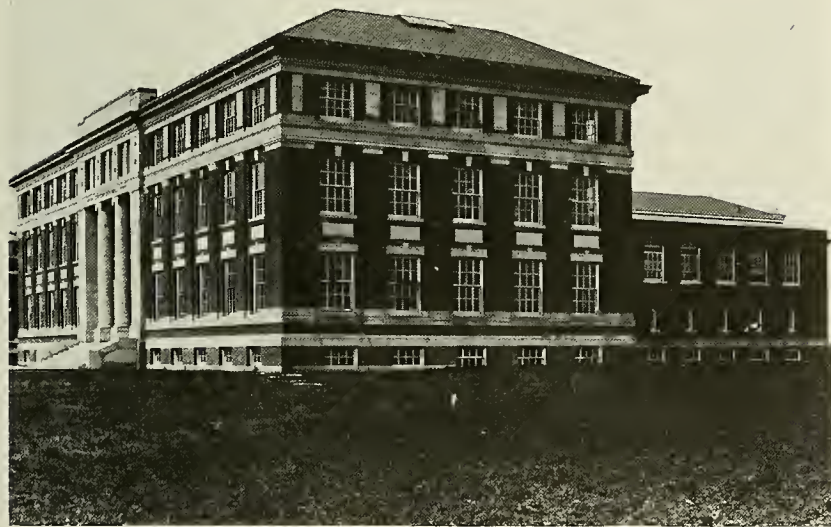

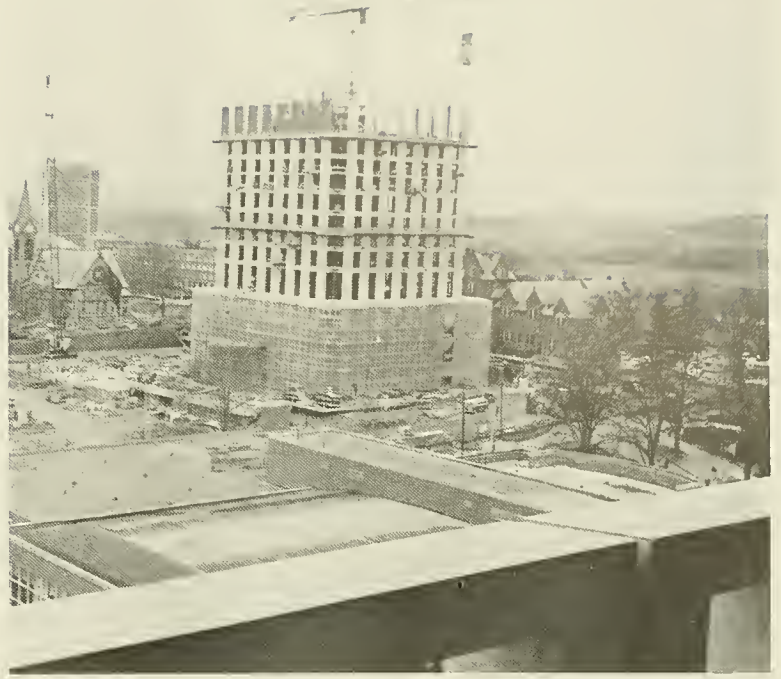

From those of us who have had the opportunity and honor to have been acquainted with such a fine man, we wish you the best of health and happiness in your retirement years. We hope that you will remember fondly your years here at Stockbridge. Professor Hamilton, we also hope that you will not forget us, for we shall never forget what you have taught us. Enjoy your retirement! We will surely miss you!!!

The Class of 1986

History

*Through these doors we pass
always looking back in fondness;
reaching to the future with anticipation,
for our education yet to come.*

*Some up front and some behind,
for a common goal we've strived.
Like others before and yet to come,
Our Body, Heart and Soul.*

Prof. Pira

Yearbook Advisor

Once again, the Stosag staff would like to express its sincere appreciation to Professor Edward Pira for all of his support and extra effort. A man of kindness, patience, and understanding, he has for many years now kept a watchful eye over the progress of each class's yearbook, as well as giving a great quantity of his free time to our staff, to social functions and to Stockbridge students in general. Prof. Pira, your dedication to Stockbridge has not gone unnoticed!

Alpha Tau Gamma

Alpha Tau Gamma is the social fraternity of the Stockbridge School of Agriculture. The fraternity is composed of brothers with varied backgrounds. This offers a new dimension to the fraternity, and through pledging, we learn to work as one for the benefit of ourselves and the house.

The house offers to all Stockbridge men a unique and progressive lifestyle. This experience is one that will be beneficial to every brother throughout his life. Our bonds extend past college, and our friendships last a lifetime.

This year thirteen men joined the active chapter and became a part of our 350 member organization. All the ATG brothers have a lot in common. They have pledged, lived and will graduate from this very educational experience.

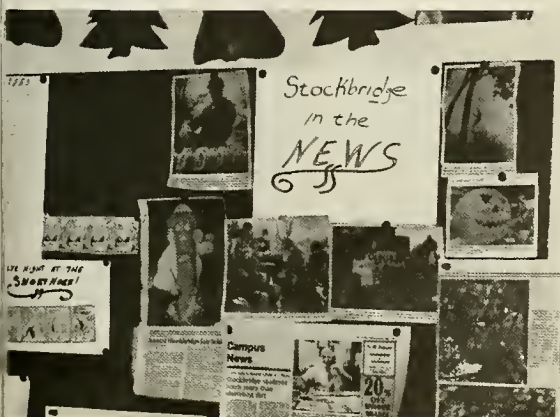

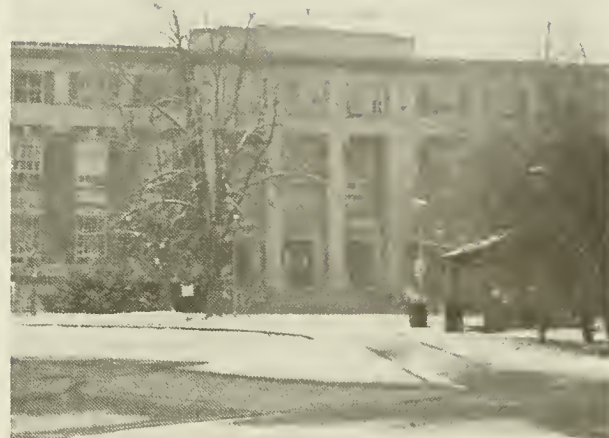

The men of ATG are active with their house and Stockbridge, and are always striving to be the best in their chosen profession. This reflects their pride in Stockbridge and for Alpha Tau Gamma.

Brothers: Steve Crowe, Mark Skillin, Kevin Chatigny, Scott Firth, Mark Bruno, Chad Littlefield, Gordon Smith, Mark Copponi, Ralph Morganelli, Scott Walker, Nick Frontiera, Steve Johnston, J.C. Girouard, Richard Bursch, Tim Anderson, David Robinson, Eric Wilde, Jim Maurer, Ed Loughran, David Erickson, Keith Regan, Eric Olson, Joe Adams, Dana Taplin, Dan Haran, Chris McCune, Brian Celatka, Andy Dumas, Scott McNamara, David O'Sullivan.

STOCKBRIDGE ALMA MATER

*'Neath the elms of dear old Amherst
Stands our college fair,
Hail to thee our Alma Mater
Stockbridge Students go there.
Working ever, falter never,
Onward to our goal,
Give you best to dear old Stockbridge,
Body, heart, and soul.*

*Tho' the hours are quickly passing
And we soon must part,
Thy great halls will not be lonely
They contain our hearts.
In the future thought will wander
Back, and we will see
Scenes we knew at dear old Stockbridge;
Always dear they'll be.*

From The Editor . . .

New friends, good times, and a practical education are what I have gained during my two years at Stockbridge. Hopefully your two years have been as rewarding and as gratifying. The staff has worked hard to capture your memories of this past year. I hope that you'll want to keep this copy near at hand to recapture special times or to remember days gone by. Now that you've finished looking through STOSAG 86, it's time to roll the credits.

This yearbook was made possible by: your student activity fee; Jostens Publishing; Studio One Photographers; everyone mentioned on pages 44 & 45 (also Glenda Frontiera); Kris, Jim W., and Linda you don't know how much I've appreciated your extra effort! Special thanks go to Roberta Zidik (Dept. of Food En. Sec.) and, for the photo of Bill Collins on pg. 32, to Collegian Photographer Scott Maguire. Oh yeah, one more thing, Mark, Mike and "Z", when a good looking girl walks by, remember to tell her my favorite saying!
